3. Tenzin Yangchen

Learning about
cultural safety

-
- ▶ Recognize values and beliefs
 - ▶ Cross cultural communication
 - ▶ Nursing culture in Canada

4. Anju Daniels

The Nursing
Simulation Centre
'SIMS'

-
- ▶ ClínicAl case scenarios
 - ▶ Role playing
 - ▶ Safe Practice Appraisal (SPA)
 - ▶ Nursing SIM (SIMS)

5. Teena Mol Joseph-Ansel

The value of
CLÍNICAL EXPERIENCE

-
- ▶ Developing clinical skills
 - ▶ Working as a part of the team
 - ▶ Standards of care in nursing
 - ▶ Care Aide certification

6. Kevin Gill

ATI and Proctor
EXAMS

-
- ▶ Building ATI into the PDD program
 - ▶ Using tutorials and test questions
 - ▶ Proctored exams

▶ Having a rationale for each response

▶ Focused review

▶ Personal experience taking the NCLEX

3 strategies faculty find particularly valuable:

1. Interdepartmental collaboration
2. Care Aide certification
3. Faculty Guide for Teaching in the PDD program

Questions & Discussion

4 STEPS TO SUCCESS:

So you want
to become a
nurse in
Canada?

- ▶ Become fluent in English
- ▶ Get your NNAS
done early
- ▶ Be prepared with
NCLEX prep
- ▶ Don't let yourself deskill
